

ORTEGA

FUEL PUMP CANOPY LIGHT

INDUSTRIAL LIGHTING | LED CANOPY LIGHTS

PRODUCT DETAILS

The IKIO Ortega Fuel Pump LED Canopy Light promotes safety in outdoor commercial and industrial environments while providing a long-lasting and energy-saving alternative to traditional HID lighting. This low-profile fixture features a highly reliable LED light engine and an impact-resistant poly-carbonate optical diffuser. Suitable for outdoor or indoor applications, Ortega is a good fit for gas stations, garages, underground passage ways, and corridors. Additionally, the low-profile design offers an architectural appeal and is ideal for places with limited space.

FEATURES

- **Low energy consumption** - up to 75% savings in energy consumption.
- **Sturdy construction** - rugged body which protects the luminaire against moisture & vibration.
- **Premium design** - incorporates an impact-resistant poly-carbonate optical diffuser.
- **High durability** - reliable performance even in humid environments.

APPLICATIONS

Garages
Parking Lots

Gas Stations
Walkways

WARRANTY & QUALIFICATIONS*
